BRAZIL'S BEST RIO, SALVADOR, RECIFE, AND MANAUS

Situated in the east of South America, Brazil is the largest country on that continent, commanding a staggering half of its overall landmass.

It covers approximately 8.5 million square kms (bigger than Australia) and is home to over 200 million people. Brazil has a diverse geography of natural environments, the most famous being the rainforests of the Amazon Basin. The country hosts a plethora of endemic flora (over 3,500 species) and fauna covering the north and the west. Its landscapes are influenced by the Atlantic Coast, The Andes mountain range, wide grass plains and wetlands.

It is Brazil's people and varied cultures that primarily make this country a must-visit destination. Cave paintings found in the protected Serra da Capivara National Park date inhabitants back 25,000 years. Fast forward to around 1500 AD and the Portuguese explorer Pedro Alvares claimed the region for his country. Over many years, the Portuguese, Dutch and Spanish all fought over the country, and it was not until 1822 that Brazil was declared a republic. In the late 19th century, immigrants from all over the world settled in various regions around the country, and today there is a wonderful mix of intermingled nationalities hard to find anywhere else in the world! Today, Brazilians speak Portuguese, but it is greatly influenced by indigenous peoples and the slaves from Africa who worked the early sugar plantations.

Like Australians, many Brazilians are keen followers of sport. Football is their national game, and they have been World Cup champions a record 5 times. Volleyball, beach volleyball, martial arts, basketball, and Formula 1 racing are also highly popular. Ayrton Senna who tragically died in an F1 race in 1994, is regarded by many as their greatest sporting legend. In 2016, Rio became the first South American city to host an Olympic Games.

Join us for two weeks of culture, history, amazing scenery, people and fabulous food.

Day 3, Saturday
23rd October
RIO DE JANEIRO

Depart from the hotel after breakfast to visit the city's most famous landmarks and see the natural beauty of Rio de Janeiro from above. After a scenic drive along Rodrigo de Freitas Lagoon, passengers arrive at the bottom of Corcovado Hill. Embark on a comfortable train that ascends the mountain, where the statue of Christ the Redeemer is located 2,300 ft above sea level. The Christ statue, known as the "Wonder of Rio", was recently elected one of the 7 "New Wonders of the World". Over a million tourists each year visit the world-famous 'Pão de Açúcar' (Sugar Loaf Mountain), which has become an iconic symbol of Rio de Janeiro. Rising from a small

peninsula at the entrance of Guanabara Bay, its name refers to its resemblance to the traditional shape of a refined sugar loaf. The journey to the top is made in glass cable cars. Tonight is a fabulous dinner at Prado Emporium & Grill. The Grill is located in the historic mansion where the Jockey infirmary operated at the beginning of the twentieth century. This culinary centre combines an emporium and grill in a privileged area of the Jockey Club in Gávea. The spacious space has the architectural character of a colonial home, with a balcony that is a feature in itself, facing the breathtaking view of the Jockey Club racecourse. The menu highlights are the delicious cuts of meat grilled on a four-metre-long barbecue. **B/D**

Day 4, Sunday 24th October RIO DE JANEIRO – SALVADOR

Post breakfast, there should be some free time in Rio before transferring to the airport. The oldest city in Brazil and its first capital, Salvador, was a significant post for the slave trade and is now a thriving centre of Afro-Brazilian life.

Salvador is considered the country's soul and the birthplace of Brazilian culture. The local cuisine, music, dance and vibrant visual arts are all testament to the pervasive

African influence. As one of Brazil's great historical destinations, the city is filled with churches, homes and forts that reflect stunning Portuguese Baroque architecture. Some of North Eastern Brazil's most pristine beaches, including the renowned Praia do Forte and Costa do Saupe, lie outside the city. Considered Brazil's most artistic city, Salvador has a lively art scene, and its streets are filled with dance and music year-round. Afternoon flight to Salvador. Overnight at the Novotel Rio Vermeiho, where we will stay for three nights. **B/D**

The group will visit the mouth of the immense bay and then, via elegant tree-lined avenues and bustling city streets, to the Pelourinho, a UNESCO-listed World Heritage site and the largest complex of colonial architecture in South America. Stroll through the narrow, bustling streets lined with buildings in pastel shades of an age gone by. The visitor centre provides a unique up-close view of these majestic animals. We will then drive south to Guarajuba Beach, where we have time to swim in the calm, warm waters of the South Atlantic Ocean or have lunch in one of the local restaurants. After lunch (at your own expense), we head back to Salvador. Tonight, discover the world of Bahia, a mindboggling myriad of rhythms that has attracted many international musicians to these shores. We will see the sacred dances of the Candomblé; puxada de rede, a song by fishermen in honour of Yemanjá the goddess of the sea; maculelê, an acrobatic stick and sword dance with its origins in the cane fields; capoeira, a martial art/dance of Angolan origin and the samba de roda, a spinning, swirling version of their exuberant national dance. **B/D**

The capital of Pernambuco in the Northeast, Recife, is known as the "Brazilian Venice" for its many channels, waterways, and bridges that resemble those of Italy's famous city. Recife has an excellent culinary scene serving delicious international cuisine and succulent fish dishes typical of the region. Fresh coconut water is found on almost every corner. Close to the capital is Piedade Beach, whilst further away lie the untouched beaches of Tamandare, São José da Coroa Grande, Maria Farinha and Porto de Galinhas. The sun shines brighter in Recife than anywhere else in Brazil! Overnight in Recife at the Novotel Marina, where we'll stay three nights. **B/D**

the 1800s. On our tour, we will visit the white sands of Boa Viagem, the city's squares and Casa da Cultura (the Culture House), which has been transformed from a detention centre to a wonderful craft centre. You'll also have time to wander and explore on your own. A very well-preserved colonial town founded in 1534, Olinda is a UNESCO World Heritage Site. Here, we will leave the bus and board a minivan to make our way through the narrow, winding streets of the historic centre. Dinner tonight at your leisure. **B/L**
